

Tableau Fundamentals I

Instructor

Jay Sharma Tableau Trainer

Date and Time

TBD

Location

Wingate University Ballantyne Campus 11430 North Community House Road, Suite 150 Charlotte, NC 28277

Overview

13 hour, two-day in-person training course (6.5 hours each day)

This course is designed for beginners. Users such as business analysts would be trained to understand important concepts and techniques in Tableau.

Prerequisites: none

Course Cost: \$995 per person

Cost includes course materials such as a workbook containing key concepts on each topic covered and hands-on activities to reinforce the skills and knowledge attained. It also includes a digital student resources folder containing Tableau workbooks and data sources to support the hands-on activities.

Refunds

Course tuition must be paid in full before class begins. No refunds will be issued beginning five days before the class starts.

Who should take this Course?

The course is open to anyone interested in gaining more knowledge and expertise in Tableau Fundamental concepts.

Registration Process

- 1) Go to the Course Registration link to be provided.
- 2) Choose the applicable course and complete the registration page.
